

CSCPA

The Connecticut Society of Certified Public Accountants

An invitation to membership for
CPAs in industry

advocacy • community • education

The Connecticut Society of Certified Public Accountants

is the only statewide professional membership association exclusively for CPAs, serving almost 6,000 individuals in public practice, business and industry, government, and education.

The CSCPA mission is to promote and support state CPAs through advocacy, community, and education. As a CSCPA member, you'll have the opportunity to take advantage of a comprehensive collection of programs and services.

Advocacy

Protect the Profession Through Legislative Vigilance

CSCPA fights for you at the Capitol. Recent victories include passing enhanced reciprocity legislation and broadening Connecticut's experience requirements for initial licensing to include an array of work performed in corporate accounting, helping more accounting professionals working in industry to become CPAs.

Help Fix Our Future – The State Budget Crisis

In response to the state's dire fiscal situation, the CSCPA has rallied to assist Connecticut's leaders in dealing with the unprecedented fiscal crisis facing the state. Members can join in the conversation and subscribe to news updates on our blog, *CPAs: Accounting for Connecticut's Future*, at <http://connecticutcpas.wordpress.com>.

Save With Member Discount Programs

Members enjoy exclusive discounts on professional needs including shipping, payroll processing, professional liability insurance, and more, in addition to personal perks such as discounted concert tickets, flowers and gifts, spa treatments, and travel!

Recruit Tomorrow's CPAs Today

CSCPA's vigorous academic and student relations program reaches out to Connecticut's classrooms, encouraging students to choose the CPA profession.

Promote the Value of the CPA Profession

CSCPA promotes the value of CPAs through proactive media relations, radio public service announcements, and advertisements in major transportation centers across the state highlighting CPAs making a difference for their companies and their communities.

Take Advantage of Career Services

The online per diem directory matches CPAs looking for part-time or per diem employment with businesses needing additional help. Potential employers may also access resumes of members and Pledges seeking employment. Unemployed members seeking work may place complimentary classified advertisements in *Connecticut CPA* magazine and online.

There is strength in numbers. Become one of ours.

“CSCPA is a one-stop shop; my membership gives me the opportunity to easily stay informed of the many changes in the accounting industry, thanks to quality educational programs and communications.”

Linda Dahlmeyer, CPA
Vice President for Finance & Administration
Universal Health Care Foundation of Connecticut

Member since 2004

Community

Build a Bank of Technical Resources – Join a Committee

Network with fellow CPAs in your field and get access to top-notch speakers and information. There's a committee or interest group to fit your needs and interests, including Educators, Financial Institutions, Accounting and Reporting Standards, Employee Benefit Plans, Governmental Accounting, International Business, Not-For-Profit Organizations, Technology, and more. Visit www.cscpa.org/committees for a full listing.

See and Be Seen in Connecticut CPA Magazine

Published bi-monthly, *Connecticut CPA* keeps you in touch. Each issue features CSCPA events and activities, member news and accomplishments, firm happenings, and articles written by members and industry experts.

Meet Up Online

Members use www.cscpa.org to register for events, connect through the member directory, track CPE credits, and more. We'll also meet up with you on Twitter, Facebook, and LinkedIn, sharing everything from breaking technical news to fun event photos!

Education

Attend The Friday Focus for Members in Industry

These sessions are designed specifically for members in industry, with topics including views of Connecticut's economy, technology advances, standards updates, investment planning, and human resources issues.

Check Out a Technical Session Close to Home

Members rave about our CONNecTion meetings, a series of free two-hour morning technical sessions held throughout the year in Easton, Torrington, and Rocky Hill, and our Fairfield Personal Financial Planning meetings, held in Easton.

Meet Up for Dinner, Networking, and Knowledge

Get to know the regulators and leaders in your industry, hear the latest news first-hand from the source, and earn CPE credit at one of our liaison dinners with the Internal Revenue Service, the Connecticut Department of Revenue Services, or the Valuation, Forensic, and Litigation Support Group.

Do Some Feel-Good Public Service

Whether you'd like to help out with the annual CPA charity drives (so far we've collected food, coats, toys, school supplies, and items for the troops), teach a financial literacy workshop at a local high school, or host a student job shadow at your firm, you'll find a way to give back to your community as a CSCPA member!

CHAT Through Member-to-Member Consulting

"CHAT" – Consulting, Helping, Assisting on Technical matters – connects you with other members to share expertise on tough technical questions.

Connect with New and Young Professionals

The Society offers Pledge status to college students and recent graduates and organizes special events for these young and new professionals, including charity sports tournaments, happy hours, walk-a-thons, and more!

Enjoy Substantial CPE Discounts

Members enjoy generous discounts on outstanding continuing professional education. Our extensive selection of live conferences and seminars feature a wide array of nationally known experts and home-grown industry leaders. Members are also eligible for discounts on online and self-study programs.

Share Your Financial Literacy Smarts

Visit a high school, college campus, or community group and teach a lesson from CSCPA's *Me, Myself, My Money* financial literacy curriculum. Share your knowledge where it can make a difference to the next generation!
