Description of Firm Changes

Change in Employment

Page 3

If you are moving between public accounting firms, retiring, or changing your industry, complete this section. Note: If you are leaving or joining a public accounting firm, and any non-SEC accounting and/or auditing (A&A) hours of either firm are impacted by this change, this is considered a Firm Dissolution or Firm Merger for the purpose of peer review. Please complete the Firm Dissolution/Change in Ownership or Firm Merger section. If you are leaving or joining a public accounting firm and the A&A practice of either firm is NOT impacted, please complete this section.

Firm Name Change

Page 4

If your firm is undergoing a firm name change due to one of the following, complete this section:

- A partner is leaving the firm and the departure is not impacting the non-SEC accounting or auditing (A&A) hours of this firm.
- A partner is joining the firm and the addition is not impacting the non-SEC accounting or auditing hours of the firm.
- A staff member has been promoted to partner impacting the firm name.
- A firm name is changed for commercial purposes (i.e. PLLC, LLC, PC) or marketing purposes

If the firm name change is for any other reason, please check the descriptions below to determine if they apply to the change.

Note: If a partner is leaving the firm and none of the non-SEC A&A hours remain with the firm, for peer review purposes complete the pertinent Firm Purchase/Sale section on Pages 9 - 11. This category should NOT be completed if you are an individual changing firms/jobs. The Change in Employment category should be used.

For peer review purposes, a dissolution of the A&A practice occurs when a partner(s) leaves a firm and a portion of the non-SEC audit and/or accounting (A&A) hours (**excluding tax or management consulting services**) do not remain with the firm. When this occurs, the AICPA will determine whether there is a successor firm and whether any new firms are formed. This decision is made by evaluating the status of the non-SEC A&A engagements performed in the 12 month period prior to the effective date of the dissolution. The 12 month period should only include engagements with periods ended during the 12 months prior to the dissolution where the reports on those engagements have been issued. The status of the partners, and possibly staff, in addition to other relevant information is also factored into the decision. Note: Change in ownership for peer review purposes is any change in the firm's ownership that affects the A&A hours in the firm.

The administering entities and the AICPA will not be responsible for determining if the information submitted is accurate. If conflicting information between parties is submitted, all affected firms will be considered new firms for peer review purposes and none of the firms will be given successor firm status which would include peer review history.

Firm Merger

If your firm is combining with another firm, complete this section. This includes situations where a partner has left one firm or a firm was dissolved, and that partner is joining another firm and bringing A&A engagements with him/her.

Firm Purchase

If your firm is purchasing another firm, complete this section.

Firm Sale

If you are selling your practice, complete this section

Please review the information below regarding firm mergers, purchases, and sales.

IMPORTANT INFORMATION RELATED TO A FIRM MERGER, PURCHASE, OR SALE:

For peer review purposes, a Firm Merger is when two or more firms begin to practice as one firm. This may also include one firm acquiring another firm, including owners and engagements. The resulting firm's status and due date for peer review will be determined by the AICPA, on a case by case basis, based on the information provided.

For peer review purposes, a Firm Purchase/Sale is when a firm purchases the non-SEC A&A practice from another firm (or firms). This ordinarily means a partner has sold his or her non-SEC A&A practice to another firm and retired, or becomes an employee (non-owner). The nature of each firm's practice will determine whether the purchasing firm is deemed a successor firm or a new firm and the peer review due date.

In completing this form, each original firm should calculate the non-SEC A&A hours that are being brought to the "combined" firm. These hours should exclude tax, management consulting or other work associated with non-A&A engagement and SEC issuer A&A engagements. The percentage of the A&A hours (excluding tax, management consulting or other work associated with non-A&A engagements and SEC issuer A&A engagements) should be calculated based on the non-SEC A&A hours for the engagements performed with reports issued by the original firms in the 12 month period prior to the effective date of the merger. The 12 month period should only include engagements with fiscal year ends during the 12 months prior to the dissolution of the original firms where the reports on those engagements have been issued. There should be agreement as to the number and percentage of hours that each firm is contributing to the "combined" firm. The firm's status and due date for peer review will be determined by the AICPA based on this information on a case by case basis.

Change in Employment

This section of the form should be completed if you are moving between public accounting firms, retiring, or changing your industry.

If you are leaving or joining a public accounting firm and the A&A practice of either firm is NOT impacted, please complete this section. Also individuals that are no longer a partner due to retirement or a change of industry (i.e. public accounting to private accounting), should complete this section. If you are leaving or joining a public accounting firm and any non-SEC A&A hours are impacted, this section should ONLY be completed in conjunction with other applicable sections that address the change (firm merger, dissolution, sale or purchase.)

If you primarily serve in an Education or Business Industry capacity and also perform public accounting related services which require practice monitoring, for the purposes of peer review, you will need to reflect your business category as Public Accounting.

Firm Dissolution or Change in Ownership

For peer review purposes, a dissolution of the A&A practice occurs when a partner(s) leaves a firm and a portion of the non-SEC audit and/or accounting (A&A) hours (**excluding tax or management consulting services**) do not remain with the firm. When this occurs, the AICPA will determine whether there is a successor firm and whether any new firms are formed. The decision is made by evaluating the percentage of A&A hours calculated on engagements with periods ended during the 12 months prior to the dissolution, The status of the partners, and possibly staff, in addition to other relevant information is also factored into the decision. This also applies in the event of Change in Ownership.

In order to make the appropriate changes, you **MUST** provide all the information needed ***including contact information for all parties***.
