CTCPA members are trusted business advisors who help individuals, businesses, and other organizations plan and reach their financial goals.

Accounting professionals hold influential jobs in every industry. From the smallest start-up to the largest government agency, every business or organization requires accounting expertise.

Our members are chief financial officers for multinational companies and advisors to small neighborhood businesses. They work for public accounting firms, both small and large. They are well-respected strategic business advisors and decision-makers.

CPA Salaries
CPAs are high wage earners. Here are some average CPA salaries:

- Public Accounting Partner: up to $500,000+
- Public Accounting Manager/Senior Manager: $86,250 - $213,500
- Chief Financial Officer: $113,250 - $503,000
- Corporate Controller: $99,750 - $245,000

91% of business decision-makers respect CPAs as valuable assets to their organizations.
