2020-2021 Advisory Council Appointees

About the Advisory Council

During three half-day meetings each year, the Advisory Council serves as a sounding board and source of information for the Board of Directors, brainstorming on the future of the CTCPA and the profession. The Nominating Committee appoints up to 30 members to the Advisory Council each year. At least half of those appointed are CTCPA group chairs (or their designees). The Advisory Council comprises members spanning diverse professional specializations and geographic areas across the state.
