

It's free!

Become a CTCPA Student Member

The Connecticut Society of Certified Public Accountants (CTCPA) is the statewide professional membership association for present and future CPAs.

CTCPA members work in all areas of accounting, from business and industry to government and education.

Student membership allows you to join and learn from this community of CPAs and meet other new professionals like yourself.

>> Student membership is FREE!

Go to www.ctcpas.org/join.

Exclusive Student Member Benefits

Benefit 1
Access one-of-a-kind resources.

With the *Become a CPA in Connecticut* guide, we lead you in a step-by-step approach to become a CPA. The annual *Guide to Connecticut*

Accounting Employers helps you find internships, jobs, and info on graduate programs.

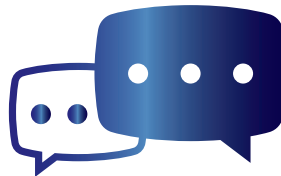

Benefit 4
Get ahead of the competition.

Our resume hub allows you to post your resume in an exclusive database, giving you the edge at job opportunities over nonmembers.

Benefit 2
Make connections at fun events.

Membership earns you invitations to fun public service and social events with our New and Young Professionals Group – have a great time while making valuable connections and even impressing potential employers!

Benefit 5
Stay informed.

The CTCPA Student CONNECTION newsletter, and other member communications provide you with the inside scoop – from the latest from industry trends to CTCPA events.

Benefit 6
Show your commitment to the profession.

Listing your CTCPA Student membership on your resume will set you apart and show potential employers that you're serious about becoming a part of the CPA profession.

Benefit 3
Save \$\$\$.

Student members save big on CPA Exam review materials from a number of providers.
