Have questions or issues for agency officials or state lawmakers? We can help!
Dealing with questions on unemployment taxes, payroll issues, paid family medical leave, or anything else important to you or your business? We’re well-connected, and we’re here to make sure our members are as well. From the Department of Revenue Services, Department of Labor, State Board of Accountancy, state lawmakers, or others – it doesn’t matter if the issue is specific to you or your company or the profession as a whole – we’re here to help you get the answers you need.

Lead.

Interview Day
Tackle talent issues by connecting with interns and new hires at our popular student recruiting event.

Ready to step up? We’re always looking for our next chair, group leader, or Advisory Council member.
Chair a committee, talk to students about the profession, run a charity drive, get connected with a nonprofit board looking for a volunteer, serve on our Advisory Council and, maybe someday, our Board of Directors. The possibilities are endless!

Stay in-the-know and get involved on issues that affect your business at the State Capitol and regulatory agencies. We fight hard to defend the profession and Connecticut organizations against harmful legislation and pursue a number of legislative initiatives at the State Capitol each year. Our advocacy updates break down the legislative and regulatory news you need to know and bring you action alerts when there are proposals you need to speak out about.

Keep on top of emerging issues from technology and the economy to the latest regulatory and compliance developments. Engage in in-depth peer-to-peer discussion and hear from experts and regulators on a wide range of topics important to your organization – data analytics, robotics in finance, blockchain, financial reporting, compliance, labor and employment issues, and more.

Learn and have fun at our specialized new and young professionals, diversity, and industry-specific events. From educational breakfasts to business chemistry training to even laser tag and zip lining, our programs offer something for everyone.

Ask questions and swap knowledge in our private online community. We have 20+ groups to help you crack the tax code, share CPA Exam survival tips, connect with specialized industries, and more.

Save with our member perks and affinity partnerships on insurance, software, shipping, business cell phone plans, entertainment, fitness, daycare, and more.
