#TransformWithCTCPA
The Connecticut Society of CPAs is the state’s premier professional association for accounting and finance professionals.

We’re committed to continuously expanding and enhancing our programs and benefits to make sure we’re delivering a strong return on investment for your CTCPA membership.

Make the most of your CTCPA membership.

Have questions or issues for agency officials or state lawmakers? We can help!
We’re well connected, and we’re here to make sure our members are as well. From the Department of Revenue Services, Department of Labor, State Board of Accountancy, state lawmakers, or others, it doesn’t matter if the issue is specific to you or your company or the profession as a whole – we’re here to help you get the answers you need.

Lead.

Ready to step up? We’re always looking for our next chair, group leader, or Advisory Council member.
Chair a committee, talk to students about the profession, run a charity drive, get connected with a nonprofit board looking for a volunteer, serve on our Advisory Council and, maybe someday, our Board of Directors. The possibilities are endless!

Interview Day
Tackle talent issues by connecting with interns and new hires at our popular student recruiting event.

Professional Headshots
Make an appointment to stop by our mini portrait studio to get a professional photo for your website, LinkedIn profile, and more.
Participate in peer-to-peer discussion in the specialized groups that are right for you. Connect with colleagues, subject matter experts, regulators, legislators, new professionals just starting out, and everyone in between.

**Accounting, Auditing, & Financial Reporting Committee**
Discuss and comment on exposure drafts and enhance relationships with standard-setters.

**Diversity, Equity, Inclusion Group**
Encourage and promote diversity, equity, and inclusion within the profession and at our organizations through thoughtful programs and discussions.

**Educators Group**
Accounting educators discuss hot topics in this candid, conversational “For Our Own Development” (FOOD) group.

**Federal Income Taxation Committee**
Share ideas, issues, and best practices and build relationships with legislators and regulators.

**Finance Professionals in Industry Group**
Explore regulatory, compliance, and management issues like employment/labor and robotics.

**Financial Institutions Committee**
Share trends, regulatory and legislative developments, and new pronouncements.

**New & Young Professionals Cabinets**
Plan breakfast meetings, volunteer opportunities, and social events for members aged 35 and younger.

**Not-for-Profit Organizations Committee**
Focus on accounting, taxation, and financial reporting for not-for-profits.

**Peer Review Committee**
Stay ahead of changing standards and potentially move into the peer review market niche.

**Employee Benefit Plans Committee**
Discuss issues affecting benefit plans, program audits, and employers.

**Golf Committee**
Support Accounting Scholarship Foundation scholarships/grants for aspiring CPAs by helping plan this high-quality annual golf tournament.

**Governmental Accounting & Auditing Committee**
Talk FASB, GASB, and single audits with public sector and audit professionals.

**Southeastern Connecticut Chapter**
These networking and educational meetings are held in locations across Southeastern Connecticut.

**State Taxation Committee**
Navigate the regulatory and legislative aspects of Connecticut tax compliance and connect with elected leaders.

**Technology Committee**
Ask and answer questions at our monthly breakfast roundtables around the state.

**Employee Benefit Plans Committee**
Discuss issues affecting benefit plans, program audits, and employers.

**Golf Committee**
Support Accounting Scholarship Foundation scholarships/grants for aspiring CPAs by helping plan this high-quality annual golf tournament.

**Small Firm Roundtable**
Created for firms with fewer than 50 employees, this roundtable is a place for networking and sharing at Connecticut-only as well as multi-state programs.

**Valuation, Forensic, & Litigation Support Group**
Connect with other experts on legal considerations, witness reports, testimony, and more.
Stay in-the-know and get involved on issues at the State Capitol. We fight hard to defend the profession and Connecticut organizations against harmful legislation and pursue a number of legislative initiatives at the State Capitol each year. Our advocacy updates break down the legislative and regulatory news you need to know and bring you action alerts when there are proposals you need to speak out about.

Keep on top of emerging issues from technology and the economy to the latest regulatory and compliance developments. Engage in in-depth peer-to-peer discussion and hear from experts and regulators on a wide range of topics important to your organization – data analytics, robotics in finance, blockchain, financial reporting, compliance, labor and employment issues, and more.

Learn and have fun at our specialized new and young professionals, diversity, and industry-specific events. From educational breakfasts to business chemistry training to even laser tag and zip-lining, our specialized programs offer something for everyone.

Ask questions and swap knowledge in our private online community. We have 20+ groups to help you crack the tax code, share CPA Exam survival tips, connect with specialized industries, and more.

Save with our member perks and affinity partnerships on insurance, software, shipping, business cell phone plans, entertainment, fitness, daycare, and more.
Programs and services to help you and your company thrive.

Committees and Groups
Connect with colleagues to share advice, news, and ideas for addressing emerging issues.

Online Community
Ask and answer questions and stay connected in this private online community exclusively for members.

Your Answer Place
Have questions? We'll connect you with officials at the DRS, DOL, State Capitol, and more.

Specialized Professional Development
Our new conferences and programs will keep you in-the-know on technology, regulations, and trends.
