

Introducing the Connecticut Accounting & Finance Community

Learn more and register at www.ctcpas/CTFAC.

The Connecticut Finance & Accounting Community (CTFAC) is your professional home – wherever your finance, accounting, or internal audit career takes you.

You do not have to work in a CPA firm to belong at CTCPA. Our Connecticut Finance & Accounting Community is designed for professionals working inside companies, nonprofits, healthcare organizations, government agencies, educational institutions, and other employers across Connecticut.

What you will find here:

- **Practical programs** for finance, accounting, internal audit, risk, and business professionals.
- **Monthly Town Hall Meetings** covering Connecticut, federal, regulatory, business, and professional developments.
- **Smaller peer-to-peer discussions** organized around professional responsibilities and geography as participation grows.
- **Access to relevant CTCPA professional groups**, including nonprofit, financial institutions, state taxation, federal taxation, accounting and financial reporting, and others.
- **Leadership development** through the Connecticut Professionals' Leadership Academy and other opportunities to speak, moderate, volunteer, and lead.
- **Connections** with regulators, advisers, business leaders, and peers across Connecticut.
