Have questions or issues for agency officials or state lawmakers? We can help!

We're well connected, and we're here to make sure our members are as well. From the Department of Revenue Services, Department of Labor, State Board of Accountancy, state lawmakers, or others, it doesn't matter if the issue is specific to you or your company or the profession as a whole – we're here to help you get the answers you need.

Ready to step up? We're always looking for our next chair, group leader, or Advisory Council member.

Chair a committee, talk to students about the profession, run a charity drive, get connected with a nonprofit board looking for a volunteer, serve on our Advisory Council and, maybe someday, our Board of Directors. The possibilities are endless!

Interview Day

Tackle talent issues by connecting with interns and new hires at our popular student recruiting event.

Professional Headshots

Make an appointment to stop by our mini portrait studio to get a professional photo for your website, LinkedIn profile, and more.

Engage.

Participate in peer-to-peer discussion in the specialized groups that are right for you.

Connect with colleagues, subject matter experts, regulators, legislators, new professionals just starting out, and everyone in between.

Accounting, Auditing, & Financial Reporting Committee

Discuss and comment on exposure drafts and enhance relationships with standard-setters.

Diversity, Equity, Inclusion Group

Encourage and promote diversity, equity, and inclusion within the profession and at our organizations through thoughtful programs and discussions.

Educators Group

Accounting educators discuss hot topics in this candid, conversational "For Our Own Development" (FOOD) group.

Employee Benefit Plans Committee

Discuss issues affecting benefit plans, program audits, and employers.

Fairfield County Chapter

Meet for networking and education in Fairfield County locations.

Federal Income Taxation Committee

Share ideas, issues, and best practices and build relationships with legislators and regulators.

Finance Professionals in Industry Group

Explore regulatory, compliance, and management issues like employment/labor and robotics.

Financial Institutions Committee

Share trends, regulatory and legislative developments, and new pronouncements.

Golf Committee

Support Accounting Scholarship Foundation scholarships/grants for aspiring CPAs by helping plan this high-quality annual golf tournament.

Governmental Accounting & Auditing Committee

Talk FASB, GASB, and single audits with public sector and audit professionals.

New & Young Professionals Cabinets

Plan breakfast meetings, volunteer opportunities, and social events for members aged 35 and younger.

Not-for-Profit Organizations Committee

Focus on accounting, taxation, and financial reporting for not-for-profits.

Peer Review Committee

Stay ahead of changing standards and potentially move into the peer review market niche.

Small Firm Roundtable

Created for firms with fewer than 50 employees, this roundtable is a place for networking and sharing at Connecticut-only as well as multi-state programs.

Southeastern Connecticut Chapter

These networking and educational meetings are held in locations across Southeastern Connecticut.

State Taxation Committee

Navigate the regulatory and legislative aspects of Connecticut tax compliance and connect with elected leaders.

Technology Committee

Ask and answer questions at our monthly breakfast roundtables around the state.

Valuation, Forensic, & Litigation Support Group

Connect with other experts on legal considerations, witness reports, testimony, and more.

Stay in-the-know and get involved on issues at the State Capitol. We fight hard to defend the profession and Connecticut organizations against harmful legislation and pursue a number of legislative initiatives at the State Capitol each year. Our advocacy updates break down the legislative and regulatory news you need to know and bring you action alerts when there are proposals you need to speak out about.

Keep on top of emerging issues from technology and the economy to the latest regulatory and compliance developments. Engage in in-depth peer-to-peer discussion and hear from experts and regulators on a wide range of topics important to your organization – data analytics, robotics in finance, blockchain, financial reporting, compliance, labor and employment issues, and more.

Learn and have fun at our specialized new and young professionals, diversity, and industry-specific events. From educational breakfasts to business chemistry training to even laser tag and zip-lining, our specialized programs offer something for everyone.

Ask questions and swap knowledge in our private online community. We have 20+ groups to help you crack the tax code, share CPA Exam survival tips, connect with specialized industries, and more.

Save with our member perks and affinity partnerships on insurance, software, shipping, business cell phone plans, entertainment, fitness, daycare, and more.

Progress.

Support your career goals with these member benefits you won't find anywhere else.

Programs and services to help you and your company thrive.

Committees and Groups

Connect with colleagues to share advice, news, and ideas for addressing emerging issues.

Online Community

Ask and answer questions and stay connected in this private online community exclusively for members.

Your Answer Place

Have questions? We'll connect you with officials at the DRS, DOL, State Capitol, and more.

Specialized Professional Development

Our new conferences and programs will keep you in-the-know on technology, regulations, and trends.
