

With so many available member benefits, it's hard to choose just a few.

Below are some of the top-rated programs and opportunities our members have identified as their favorites.

Rediscover your CTCPA membership!

Learn more at www.ctcpas.org/MemberBenefits.

Participate in peer-to-peer discussion in the specialized groups that are right for you.

From our new committees on cannabis, ESG, and client advisory services to long-established groups on taxation, accounting standards, and more, there's a group to fit your needs.

Make connections to grow your business or client base.

From referral sources to potential clients, CTCPA joint programs and groups engage professionals in law, government, business and industry, not-for-profits, and more.

Learn and have fun at our new and young professionals, diversity, and industry-specific events.

From educational breakfasts to business chemistry training to laser tag and dodgeball, our specialized programs offer something for everyone.

Get to personally know key players at regulatory agencies.

Meet and speak directly with leaders in our state and beyond. We'll help connect you with the right people to help you answer tough questions and address issues.

Get insider information from the State Capitol and policymakers as we advocate on your behalf.

We're the profession's boots on the ground to keep on top of developments and take action on important issues. Our Advocacy Updates bring you vital news on the profession and beyond.

Ask tough questions and swap knowledge in our private online community.

Reach peers who can share how they're handling complex issues, and share your own expertise. Our state and federal tax groups are especially active.

Keep on top of emerging issues from technology and the economy to the latest in strategic business management.

The profession and the world are changing rapidly. We're your partner as you successfully navigate into the future.

Take advantage of top-quality professional development at a generous discount.

From conferences to livestream to self-study, find the education you and your team need. Our curated course collections provide recommended tracks organized by staff level and career focus.

Save with our member perks and affinity partnerships.

You'll find everything from insurance, software, and business cell phone plans to fitness, daycare, and CPA Exam review courses.
