**Stay in-the-know and get involved on issues that affect your business at the State Capitol and regulatory agencies.** We fight hard to defend the profession and Connecticut organizations against harmful legislation and pursue a number of legislative initiatives at the State Capitol each year. Our advocacy updates break down the legislative and regulatory news you need to know and bring you action alerts when there are proposals you need to speak out about.

**Keep on top of emerging issues from technology and the economy to the latest regulatory and compliance developments.** Engage in in-depth peer-to-peer discussion and hear from experts and regulators on a wide range of topics important to your organization – data analytics, robotics in finance, blockchain, financial reporting, compliance, labor and employment issues, and more.

**Learn and have fun at our specialized new and young professionals, diversity, and industry-specific events.** From educational breakfasts to business chemistry training to even laser tag and zip lining, our programs offer something for everyone.

**Ask questions and swap knowledge in our private online community.** We have 20+ groups to help you crack the tax code, share CPA Exam survival tips, connect with specialized industries, and more.

**Save with our member perks and affinity partnerships** on insurance, software, shipping, business cell phone plans, entertainment, fitness, daycare, and more.

## Thrive.

Support your career goals with these member benefits and perks you won't find anywhere else.

## Programs and services to help you and your company thrive.

### Committees and Groups
