FAQs

How do I register for a program?

The easiest and fastest way to register is on our website at www.ctcpas.org/Catalog. Simply search for your course by keyword, code, field of study, date, or type. Have questions about registering online? Please reach out to the Professional Development team at cpe@ctcpas.org or call 860-258-4800 and press 1.

I haven't received my course confirmation.

How do I know if I'm registered?

Simply go to www.ctcpas.org/MyCPE and log in to view your upcoming courses and purchased self-study. Course confirmations will be sent via email. Your confirmation will verify all program details. If you have not received an email confirmation at least two business days prior to the program date, please contact us at 860-258-4800 and press 1.

Is there an advantage to registering early?

Yes. Early registrations can help avoid cancellation of a livestream course due to low enrollment. Some courses also offer an Early Bird discount!

Which fee do I pay?

The member fee is extended to CTCPA members as well as members of any state CPA society. If you are not a member of any state CPA society, you must pay the nonmember fee.

What happens if I need to cancel?

Seminar, conference, and livestream cancellation requests must be received seven days prior to the course date in

order to receive a refund. Program cancellations will not be allowed once the eMaterials have been posted to the CTCPA website. Substitute registrants are allowed. Webinar cancellation requests must be received by the program date.

Is it possible to transfer to another program instead of canceling?

Yes. Transfers must be made at least one week prior to the program date to avoid any penalty; to transfer your registration, call 860-258-4800 and press 1 for the Professional Development team.

Can I transfer my registration to someone else if I can't attend?

Yes. Your registration can be transferred to another person if you are unable to participate in a program. Education credit hours will be given to the person who attends the program.

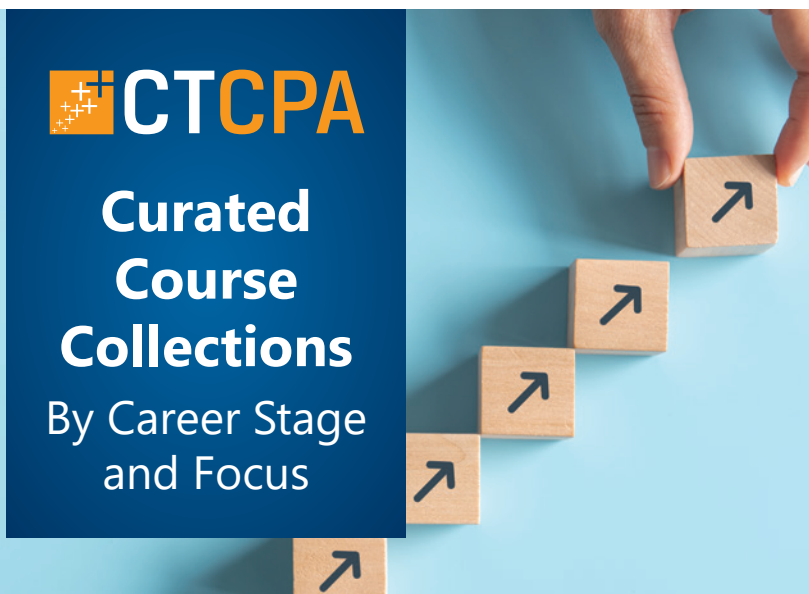

Is there a way I can get a credit summary of classes I have completed?

Absolutely! The newly redesigned CTCPA website features a helpful My Professional Development hub, which puts everything you need right at your fingertips: links to launch virtual programs, your upcoming and recent courses and any available eMaterials, purchased self-study, and the CPE Tracker where you can download course completion certificates and your CPE transcripts. Simply login at www.ctcpas.org/MyCPE.
